

High School Completion

Provider: ALC Adult Learning Center

Cost: \$100

Cost Unit: Cost of the entire program

Website

<http://www.akalc.com/>

Places: Anchorage

This is not a GED; it is an Accredited High School Diploma.

A student must take at least one - half (0.5) credit with ALC to graduate from ALC. So the minimum cost is \$250 if a student chooses to graduate. However, a student may take one class with ALC and return to his/her home school to graduate. The cost would then be \$150 for the first class including registration and \$100 for subsequent classes. If a student decides to complete all his/her classes with ALC, the tuition is on a sliding payment scale.
